1. It is always pleasing to forward commendatory and appreciative remarks praising noteworthy actions by members of our command. With this spirit of pride, I forward this correspondence.
2. The superb display of military police professionalism materially assisted Captain Robert C. Ingram, USN, and his construction crews with their expeditious repairs on the Newport Bridge. The traffic control measures which were implemented were truly outstanding and indicative of the dedicated and responsive soldiers of the 95th and 720th Military Police Battalions.
3. I congratulate you and all members of your command who assisted in this superior performance.
